

Older & Wiser

We slowing realize:

- Whether you wear a \$300 dollar watch or \$30 watch, they both tell the same time.
- Whether we carry a \$300 or \$30 wallet or handbag, the amount of money inside is the same.
- Whether we drink a bottle of \$300 or \$3 dollar wine, the hangover is the same.
- Whether the house we live in is 300, 3,000 or 30,000 sq. ft., the loneliness is the same.

Whether we fly first or economy class, if the plane goes down, we go down with it. Whether we fly first or economy class, if the plane reaches its destination, everyone arrives at the same time.

Growing older makes you realize that true inner happiness does not come from the material things of the world.

We realize that when we chat, laugh, sing and talk about “whatever” with buddies, old friends and family, that is true happiness.
